A Record —And the Reason

YOU know that goods which give the most satisfaction always sell best. Cheap, inferior goods sometimes have their short day of success. But the demand for good things lasts.

For more than 30 years the New Deere Gang has been the most widely used plow of its type.

That means that farmers have continued to find the New Deere the most satisfactory plow—the plow that pays the most and costs the least in the long run.

You want that plow satisfaction.

Your New Deere is ready for you at our store, with all of the qualities that have given this plow its leadership.

C.P.R. TAKES OVER LACOMBE AND NORTHWESTERN

Premier Brownlee announced today that the offer of the C.P.R. for the Lacombe and North-Western Railway has been accepted.

The Bonspiel

The annual bonspiel came to an end on Friday evening last, and goes down as a record event in the history of our Club. The spilt was remarkably free of disputes, and nothing had been left undone to give participants a really enjoyable time. The competitors were all keenly contested, and there were many close decisions. The visiting rink were led in prize by the Lacombe rink, and the winners were:

Grand Challenge: 1. A. Gilmour; 2. E. C. Chapman; 3. D. Hay; 4. Sinclair, Red Deer.

Campbell Shield: 1. R. Fulton, Red Deer; 2. Henry Trimble; 3. D. Calder; 4. T. Jackson.

Parsons Cup: 1. G. Morris, Red Deer; 2. D. Hay; 3. Glen Williams, Bentley; 4. Carson, Strathcona.

Consolation: 1. Chas. Lawson; 2. A. Price; 3. F. Thorpe; 4. D. Parsons.

The Grand Aggregate was won by Fulton, with Chapman second.

The bonspiel committee wish to thank all who helped in any way to make the affair a success.

Many thanks are due Mr. Wilks, secretary of the bonspiel and his assistants for the very complete arrangements made and carried out to the satisfaction of everyone.

THE LATE MRS. JAMES KINLEY

After an illness of a little more than three weeks, Mrs. James Kinley passed away at her home on Thursday, January 24th.

Deceased was the daughter of the late William and Orr Coydell, and was born in Lacey, Isle of Man, Oct. 21st, 1857, one of a family of thirteen children. She came to Canada at the age of eighteen, living at Toronto for two years, when she moved to Newark, New York, and was married to James Kinley on Dec. 16th, 1886, after which she lived in Pennsylvania and New York States, till in March 1906, she came to Alberta with her husband and children, settling on the farm in Jewell district where she has since resided. She survived by her husband, and two sons, William and Robert, two daughters, Annie and Mrs. H. E. Underhill, and seven grand children, all of Lacombe.

Two brothers Thomas Henry Corbett, of Surrey, England, and James Albert Corbett, of Auburn, Calif., and a number of nephews and nieces.

Mrs. Kinley was for many years a member of the Episcopal Church till moving west, when she joined the Methodist Church and later the United Church of which she was a member at the time of her death. Mrs. Kinley had always taken an active part in both Church and Sunday School work and was for many years a teacher in the Sunday School. She will be greatly missed by her friends and neighbors as well as her family.

A new policy has been adopted for the library. The boys and girls are to study at separate tables. It is anticipated that this will result in a greater number of honour students.

A hearty response was given to the request for donations toward the literature work of our home missionary society. One hundred and twenty-seven dollars was the total amount pledged.

The library is to be improved by longer light cords with globes. A large number of new books have been added to the list and fifty more are to arrive soon.

The valley boys are getting a great deal of excitement these last few days trying to capture the lynx that has been frightening some of the younger members of the community.

Edgar Tetz and Theodore left early Sunday morning for their homes in Beiseker. Theodore will return after a few days visit with his sister, Martha, who was recently married.

Mr. French and family, from Peace River, are now located in the Omar Bartlett House.

An interesting intelligence test, based on a knowledge of general science, was given the students in chapel Friday morning by Mr. May.

Clarence Haffner, student of C.J.C., is leaving school today and is going to his farm at Staveland, Alberta.

Two of our Sabbath School classes have reached their goal in daily study in attendance and offerings, and so had the privilege of travelling in an aeroplane on the goal chart.

Mr. Sills, a former student of C.J.C., accompanied by the Postmaster from Red Deer, spent a few hours at the college Sunday afternoon.

A new group has been added to the Industrial Recreation band—a knot tying band, under the direction of Professor Beardsley. Judging from the large number in the band, it must be a very interesting one.

HOW TO CARE FOR
VARICOSE OR SWOLLEN VEINS

Rob Gently and Upward Toward the Heart as Blood in Veins Flows That Way

If you or any relative or friend is worried because of varicose veins, or enlarged veins, the best advice that anyone in this world can give you is to ask your druggist for an original two ounce bottle of Mogen's Escalad Oil

(full strength) and apply as directed night and morning to the swollen, enlarged veins. Soon you will notice that they are growing smaller and the treatment should be continued until the veins are of normal size. So penetrating and powerful is Escalad Oil that even Piles are quickly absorbed.

Several people of Eureka Valley attended the dance at Joffre on Friday evening.

The dance given by the staff of the Alberta Government Telephone, Lacombe, held on January 31st was a great success. A large crowd attended, and everyone had a wonderful time. The decorations were the most beautiful seen in Lacombe in years.

The candy, which was made last Saturday night, by the candy making group of the Industrial Recreation Band is selling quickly.

The demand for library reading course books is increasing, due to the interest awakened by our M.V. Educational secretary.

Mrs. J. Bauer, of Bentley, is visiting her son, L. P. Bauer, of Rosedale Valley. She will also visit several friends in the community.

The lathe students of the woodwork department are glad to get a cabinet for lathe tools. The cabinet is placed so that it is handy for lathe work.

Orlo Mahley, Henry Hoffman and John Gunn, three of our students, spent one day this week erecting a cow shed for Mrs. Alcock, who resides in the valley.

Mr. Floyd Jones, who has been canvassing in McLeod and vicinity is back with his family here again for a short time. He reports good success in his work.

"The College pays out approximately \$11,000 per school year for student labor." Mr. Bernhard the busman, stated last Wednesday night in Union workshop.

The resident ladies met at the home of Mr. George Johnson, Thursday afternoon in honor of his mother's birthday. Mr. Johnson's mother is an octogenarian.

Mr. Burgess, our farm manager, is attending the horticulture session of the Agricultural school in Edmonton.

Mission Band posters are a constant reminder that we have the privilege of learning more about the great needs of Africa, Inter America and the Islands of the South Seas.

Don McLeod, of Calgary, was visiting the College for several days. Miss McLeod is a former student of C.J.C. and hopes to be here again next year.

Here and There

Another barometer of the state of Western Canadian agricultural progress is the sale of wheat land in the Prairie Provinces which in 1927 were the best on record. In 1927 over 400,000 acres were disposed of for a total of \$8,963,987, representing an average of \$18.70 per acre. The lowest price obtained was \$7 per acre and the highest \$75.

Appointment was announced recently of R. F. Angus to be assistant superintendent of the C.P.R. Montreal Terminal. Mr. Angus, who joined the Canadian Pacific Railway as a clerk in 1919, is the grandson of R. R. Angus, one of the creators of the system, and nephew of Sir Vincent Meredith, chairman of the Bank of Montreal.

Ten-year-old John Willis Barbour travelled recently alone from his home in Los Angeles to his father in Glasgow, a distance of about seven thousand miles, in care of C.P.R. train and boat officials from Chicago on. John thought the climate here was little different to California and was not overcast or had left it packed in his trunk, but he changed his mind at Montreal where he took sub-zero weather. He arrived safe and sound, and will come back in the spring.

A paradise for the outside camper will be ready next summer when the government finishes the new campground in the Rocky Mountains Park within half a mile of Banff, on Tunnel Mountain. The camp, which on its old site last July accommodated 11,653 persons, is specially popular with the tourist trade. It is a good place for a party for three weeks, and runs a winter, garbage removal, dinner saloon, electric light and even pay telephones are provided for campers.

Around ten thousand snowshoers and their friends will visit Montreal on the occasion of the 20th anniversary of the founding of the Canadian Snowshoers' Association to be held in Montreal February 3-5.

The convention is international in scope since it takes in the American Snowshoers' Association with over 1,500 members in the states of New Hampshire and Massachusetts, while there are also representatives from the Manitoba Snowshoers' Association and local lodges from all over the province of Quebec.

Making his second visit to Canada in 44 years, Seymour Hicks, noted British actor, with his wife, the equally well-known English stage favorite, Ellaline Terriss, and their daughter Betty, with a company of 20, arrived at Halifax this month, played a week there and three days at Saint John as the opening phase of a four months' tour that will embrace the whole Dominion to Victoria and back. Mr. Hicks travelled C.P.R. and will conclude his tour May 1.

The increased buying power of the Canadian people and the surplus funds in their possession for investment in the last few years is accounted for by the increased production of the Dominion, substantial increments having been recorded since 1923 and a new record made, according to estimates, in 1927. The value of gross production in Canada in 1927 was \$4,945,000,000, in 1924 it was \$5,263,000,000; in 1925 \$5,590,000,000; in 1926 \$5,556,241,624 and in 1927, according to the estimate of the "Financial Post" \$5,788,796,700. Production in 1927 exceeded that of 1926 by approximately \$100,000,000 and that of 1923 by \$600,000,000. Agriculture accounted for \$1,650,000,000; forestry \$433,405,600; fishing \$50,251,000; mining \$1,678,600; manufacturing \$1,815,191,700; construction \$255,250,000; and other \$25,750,000.

NOTICE OF SALE
Notice is hereby given under Section 48 of the Domestic Animals Act (Municipalities) that one black mare, star, weight about 1000 lbs., foreleg clipped, age about 7 years, branded HB monogram with quarter circle over on right thigh, was impounded in the pound kept by R. V. Bagley, on the N.W. 23-38-26-4, on the 28th day of Dec. 1927, and the said animal was sold on the 12th day of January, 1928 to Jas. Pife, of Chigwell. Said animal may be redeemed by the owner or on his behalf within a period of thirty days after the publication of this notice in the Alberta Gazette, upon payment of all fees and costs due the Municipality and the purchaser of said animal.

AN EARLY BANK OF MONTREAL "TOKEN"

FOUNDED before Canada had any currency of its own, the Bank of Montreal early obtained authorization from the Government to issue copper tokens for small change.

Reproduced herewith are the two sides of the "Bouquet" token, one of the earliest coins issued by the Bank. The intermingling of the rose, shamrock and thistle indicates the three branches of the British people—the English, Scotch and Irish—while the use of English on one side of the coin and French on the other is significant of the mingling of the two races in this country.

"Trade and Agriculture" indicates the early connection of the Bank with both urban and rural life in Canada.

Throughout its long history the Bank of Montreal has always been active in serving the financial needs of all the people.

Municipal Hospitals

It has been decided to ask the government to take a vote of the ratepayers of a district not yet decided upon, for the building of a Municipal Hospital at Lacombe. The preliminary business is being done, and before the election is asked to pass on the scheme, all information pertaining to the same will be placed before them. The scheme is for the building of a 25 bed hospital to stand, but it will be built in such a way that it can easily be added to as the occasion demands. The Municipal Hospital is the only scheme for the intelligent serving of the people as a whole they can stand to pay. At present when a patient is compelled to enter our local hospital, he must be prepared to pay in the neighborhood of \$5 per day in addition to his medical costs. In every Municipal Hospital at present in Alberta, and there are 14 of them, the actual cost to the patient, including medicine, dressing and other things, is \$1 per day; it can be no higher. The Department of Health from actual figures obtained from all private hospitals in the province, state that in one year alone the Municipal Hospitals have saved the patients \$2,600,000. The hospital scheme for Lacombe will not be costly. It has been roughly estimated that an assessment of 2c. per acre, or \$3.20 per year, per quarter section, with an equally low assessment in towns and villages, will carry the scheme through the first year, and that subsequent assessment will be lower. In towns and village the ratepayers will pay a minimum of \$0 per year, heavy ratepayers paying in proportion to their assessment. It is the cheapest sickness insurance any ratepayer can get. Every member of a ratepayer's family is entitled to hospital treatment at a cost of \$1 per day; with present hospital charges, a ratepayer would save more than his year's assessment in one day in a Municipal Hospital. \$1 against \$5. Districts where Municipal Hospitals have been established are strong for the scheme, and the whole of Alberta from Calgary to the boundary is served satisfactorily by them, and the ratepayers there are very thankful for the great savings made to their sick. The ratepayers in the proposed district may rest assured that the scheme will not be put through until all possible information on the question has been received, and either the Minister of Health, or someone else in high authority comes down and thoroughly explains the scheme. In the meantime, ratepayers should think the matter over.

Fred Fulsher Heard From

Residents of Lacombe of twenty years ago will remember Fred Fulsher, who operated a drug store for a time. They will also remember that Fred left here for parts unknown, and since that time his whereabouts have been a mystery to us. But Fred is still on earth and going strong. We just heard from a party in the State of Montana, who gives a lot of startling information about Fred since he left Lacombe. We are informed that he is located in a town in that State, and is a member of the legislature, and in addition is a Medical Doctor, and has been practicing medicine and relieving the sufferings of the residents for some years. Some one, however, apparently from Fred's actions, doubted that he was an honest-to-goodness M.D., and when he went a little too far, and attempted to get a position in charge of the State Hospital, for the insane, he was asked to show his credentials. That's where he fell down. He had gone into the States without being checked up, and had no diplomas or other collateral to prove his contentions. He did not get the position, and the Medical men began to check up on him. They wrote to McGill University, where Fred said he had graduated, and received a reply that no one of the name of Fulsher had graduated from that institution within human ken. When he was apprised of this information, Fred took his investigator into his confidence, and explained that he had graduated from McGill under the name of W. T. Hynes, but for reasons best known to himself, and not liking the name, he had changed it to Fulsher. More correspondence with McGill proved that in 1905 Dr. W. T. Hynes had graduated from that institution, but from what information they had he had located in Lacombe and was still there and going strong. And so the matter stands at present. Dr. W. T. Hynes, whose name Fred Fulsher has appropriated, came to Lacombe in 1905 and has been here continuously ever since, and if Montana people do not believe it, they can come and see him, and have their appendix removed. Among other worldly possessions, Fred Fulsher has accumulated another wife and family since leaving here in 1907. Thusly do Lacombeites receive unending fame.

"Everybody likes home made bread"

"I have tried your 'Bake-Rite' Flour, baking a large batch of bread, a pan of biscuits and a cake and I found it very satisfactory indeed."

"I have tried every brand of flour on the market and they are not to be compared with 'Bake-Rite'."

"It was the best bread we have had in the house since before the war. It is not waxy and gluey in the kneading. I found it did not stick to my hands like ordinary flour."

"I must say I was very pleased with 'BAKE-RITE'."

DEATH OF MRS. IRVING PALMER

Mrs. Irving Palmer (nee Anna Raymond) died suddenly at her home at Bentley on Tuesday, and was buried this afternoon at Bentley. Her death came as a great shock to her many friends and relatives. She was a daughter of Mr. and Mrs. Charles Raymond, of Lacombe, to whom the sincere sympathies of the town and district are extended.

PIANO RECITAL BY PUPILS OF MRS. REED

On Friday evening, February 10th, in the United Church, Lacombe, an interesting instrumental and vocal programme will be given by the piano pupils of Mrs. F. H. Reed, assisted by Miss Grace Fortune, Miss Helen Barbour and Miss Myrtle Cochran. As a number of young people are playing the programme will start promptly at 8 o'clock. Examination pieces will be given from three of the highest examinations of the Associated Board of London, England, and from six of the grades of the The Toronto Conservatory of Music. An interesting musical evening is assured and the public are invited to come and hear these young artists.

REV. MR. FIELDER GOES TO RIMBEY

Owing to the fact that several of his heaviest supporters have left Lacombe within the year, it has been found necessary to close St. Cyril's Church of England temporarily. Rev. Mr. Fielder has taken up his work in the Rimbey parish, and while the congregation are sorry to lose him, it was found impossible to carry on, and all wish him success in his new parish. At a meeting of St. Cyril's, the Guild, held yesterday afternoon, the

though the church was temporary without a clergyman, and by various means raise the money necessary to clear the parish of the small debt it is at present burdened with. It was decided to hold a bazaar and sale of home cooking in the near future, and all who have seen these ladies work in former years are convinced that in a very short time the parish will be out of debt. The ladies of the Guild will at once get the rectory in good shape, and the building will be rented until such time as another minister is appointed to the parish by the Bishop.

ANNUAL MEETING OF ST. ANDREW'S UNITED CHURCH

The Annual Meeting of St. Andrew's United Church, Lacombe, was held on Monday evening, being well attended. A very pleasing spirit prevailed and encouraging reports were received. Twenty-seven members were received during the year, with a net gain of six, leaving 288 on the Roll. 830 persons are connected with the congregation. There were twenty four funerals, eleven baptisms, and twenty-five marriages. The Ladies Guild made 267 calls on the sick and new-comers, sent flowers and letters to the sick and bereaved. They raised \$561, including the Organ Fund which has reached \$1400. Three Missionary Societies raised \$378 in nine months exceeding their Allocation. \$1125 was sent to the Maintenance Fund, which was also more than the Allocation. The Sunday School had an average of 166, despite quarantines, and raised \$495. For current expenses \$3454 was contributed.

Messrs. S. Edmund, John MacDonald, Perry Pratt, F. H. Reed, Fred Thompson, Tom Wilkes and H. E. Wilson were elected Managers. An election of elders resulted in the choice of Messrs. Calvin Barbour, S. Edmunds and P. W. Pratt. A vote of appreciation for their services was given to Rev. R. B. and Mrs. Layton. Other workers were also publicly thanked: The leader of the Choir, Mr. Touche, and the Accompanist, the Choir, the Board of Managers, the Treasurer, Mr. Finlayson, and the S. S. superintendent, Mr. Edmunds. The Ladies' Guild challenged the

men to put on a social. They accepted and set the date, Feb. 29th. An enthusiastic and optimistic meeting was then closed.

THE BURNS CONCERT AT SPRUCEVILLE

The Burns Concert at Spruceville is the event of the year in this district, and this year was no exception. Despite the recent enlargement of the hall, there was standing room only, about four hundred present, some coming a great distance. The speaker of the evening, Mr. D. E. Cameron, Librarian of the United Scots. He expressed himself amazed at the enthusiasm of the people 5000 miles away from Scotland, who would gather in such numbers to cherish the memory of a man dead for so many years. There were three things about Burns that accounted for this sustained interest in him. First, the spirit and poetry of Burns, revealed him as the brother of every human heart, his poetry expressing almost every true feeling that man has known. Second, Burns is the Psalmist of secular life, and gave back Scotland the singing heart. Love in youth, and in old age; patriotism; friendship; and other emotions; all are found in his songs, and fit into our experience. Third, he saved their language for the Scots. In his time, an anglicization of Scotland was threatened. He showed his countrymen the beauty of their mother tongue, and made them proud of being Scots. Mr. Cameron hoped that people would read Burns as well as talk about him.

The musical part of the program was of a high order. Mr. Wm. Chessor, the Chairman, paid a neat tribute to Burns, before introducing the performers, who were: Pipers Cameron and Biggs of Inverlaid; Misses Flo. Cameron and Helen Barbour, Mr. Duncan Cameron, Mr. and Mrs. Wilkes, Mrs. Thos. Jackson, Misses Brenda Reed, Mrs. John MacDonald, Messrs. J. N. B. and John MacDonald, Joan and Robert George, aged nine and ten captivated the house with their sword dance. Margaret and Max Gibson also had to come back and sing. Mr. David Calder in his kilt and Mr. Wilkes in his smock were escorted. Miss Edwards in the Sailor's Hornpipe made a hit. Mrs. Reed, Cameron Fraser, John McDonald and Mrs. Will Parker were among the accompanists. Prof. Touche, in his voice and violin, was also well received. Mr. Cameron Fraser, author and composer of the music of one of the songs "For Robin Once Lived There" sung by Mrs. Jackson, was given an ovation.

Others on the program were Mr. James Spink, who brought back old times with an accordion solo; George Chessor recited a tribute to Burns; Mr. N. E. Carruthers, and Mr. Skene, of the Red Deer St. Andrew's Society, spoke. A vote of thanks was moved by Mr. F. P. Puffer and seconded by Rev. R. B. Layton. After the program was concluded, the whole multitude was served with a hearty luncheon, an illustration of Scottish hospitality. When dancing began, and was continued into the wee small hours.

My new 1928 Sample Books are here, and anyone wishing to get paper hanging done this spring are advised to get your order in early as we are going to be busy, at an early date. I will have some very high class books here for a few days only over the week-end and anyone wanting high class paper can get it at this time and have it come later as I can only have these books for a few days. Be sure and see these papers if you want any good paper. Phone Chas. Lawson, phone 180 for appointment.

But the storm that struck Great Britain around the Christmas season had a say in the matter. The air was snowed under, and it was found impossible to send out an airship. The rules were held up and did not finally reach Paris until December 23, when they were delivered promptly. The disappointment was more to the sender and the expectant crowd than to the recipients, who had strained every resource to get the flowers to their destination on time and who were only defeated by weather that was unprecedented in Great Britain, and that could not be foreseen and guarded against. What the recipients' reactions to the gifts were, are not chronicled, but it is fairly sure that they were delighted with these Canadian flowers from a Canadian gentleman, and impressed by the tour de force of their despatch, which disproved their words of their great national poet, who murmurs in one of his best-known poems that the rose "suckles but the spout of a watering."

CANADA MALTING CO. LIMITED

THE JUNIOR RED CROSS HOSPITAL

Ethel is nine years old. She arrived in Edmonton from North Country on October 1, 1924. She was bent double with a crippled spine and tubercular hip, and had come to the Junior Red Cross Hospital in Edmonton to get well.

She was discovered by the Red Cross Society living with her mother in an isolated district. There was no money anywhere to do anything for her. So the Red Cross paid for the journey and brought her to its ward in the University Hospital in Edmonton.

She arrived, a little bundle of shabby, ill-fitting clothes, out of which peeped a rosy, smiling little face. She knew that the Red Cross would make her well again.

Ethel went to the hospital and was put in a little cot. Attached to the cot was funny looking frame stretching up to the ceiling. On this frame were stretched her little suffering legs and in this position she stayed for over a year.

People came and went and everybody got to know the little rosy face and chubby hands which clamped a doll. Everybody also got to know the funny slanting face that held so much of Ethel.

"Did the nurse address the envelope to your mother?" inquired a visitor. "No," was the almost contemptuous reply, "she can't spell my name at all."

Ethel enjoys a personality, characteristic for its sweetness, patience and independence. Her faith in the Red Cross has been justified. The frame has been withdrawn and though she is still in the hospital, she will eventually recover. It will cost her mother nothing.

The crippled children's campaign fund are holding a drive for the benefit of these children in the hospital for the Kinsmen's Club of Edmonton who are doing such wonderful work. The drive is in the nature of a dance to be held in the Memorial Hall at Edmonton, Alberta, on Easter Monday next, April 9th. Tickets are \$1.00. The dance throughout the North part of the province, and of Red Deer of the newest type is being given away as a prize to the person who successfully estimates the nearest correct number of people who travel on the Edmonton street cars on Saturday, March 31st next.

RIMBEY NEWS

The Annual meeting of the Blindman Valley Co-operative Association was held in Rimbey hall on the afternoon of the 18th. We understand that a detailed report is to be given, the press so will remark only on the topics of decided Rimbey interest. As one Rimbeyite pointed out, we have cause for pride in the fact that, of the 20,000 hogs and sheep handled by the pool in 1927, 9000 of these passed through the Rimbey stockyards. Also the new pool official is a Rimbeyite, and we hope to see him go a long way in the pool interests. It was somewhat difficult to hear him from the back of the hall, but with a speaker of the president's type, as a model he ought soon to overcome that difficulty. The president's address was very ably handled and well delivered. Immediately preceding the meeting, Lacombe and Red Deer Hockey teams staged a match for the benefit of the pool member hockey fans. Rimbey was not much to offer in the line of hockey rink, and undoubtedly this both-erend some of the players to a certain extent. Lacombe started off well, but eventually had to take the short end of a 4 to 2 score. It might help hockey a lot when the players will understand that the referee's decision is final during a game. It's very poor sportsmanship for any of the players to start an argument on the ice over any finding, and only cheapens the game.

On the 19th a family from the south moved into this district, and are occupying the Spink farm, two miles south of town. Two daughters will attend high school here.

Jan. 20, Miss Marie Rimbey, shortly to become a bride, was tendered a shower by her friends, and received many useful gifts.

The 21st saw J. Beatty's curling crew wrestling with a turkey spur in the Cottage Hotel. This team striding with a mighty stride, or maybe curling with a wicked curl, captured the curling honors of the Rimbey rink, and celebrated accordingly.

Interest was taken in a trial caused by complaint of a dray man, of local parties wanting a building within the village limits without a license. It takes a legal ruling to settle arguments.

WIN THIS CAR!

Ford Fordor Sedan-1928 Model

How many people will travel on the Edmonton Street cars on Saturday, March 31st, 1928? On Saturday, March 18th, 1925, there were 50,891 passengers; on March 27th, 1926, there were 44,572 passengers and on Saturday, March 26th, 1927, there were 47,741 passengers.

A GRAND NOVELTY DANCE will be held in the Memorial Hall in Edmonton, Alberta, on Easter Monday, April 9th next. The dance is under the auspices of the Kinsmen's Club of Edmonton and endorsed by the Alberta Division of the Canadian Red Cross Society. It is for the benefit of the crippled children of the Junior Red Cross Hospitals.

Tickets are 50c apiece. With each ticket you are allowed two estimates on the number of people who will travel on the Edmonton street cars on Saturday, March 31st next. The first correct or first nearest correct estimate wins the car. Announcement of the winner will be made at the dance by His Worship, Mayor Bury, of Edmonton. It is not necessary to be present at the dance to win the car. With every ticket you have two estimates. Will you buy a ticket or two for this best of all causes.

These little cripples come from destitute homes. The hospitals for their care in Edmonton and Calgary require a lot of money for maintenance and equipment. So does the Kinsmen's Kiddies Kamp at South Cooking Lake, the children's summer home.

From Spruceville

Mr. and Mrs. Jas. Boden Jr., and Clarence Kasha with other friends were down to Red Deer Wednesday night and took in the Burns Banquet and Dance. They report a good time and enjoyed the Haggis which was played down by the skill of the bagpipers.

The Annual Burns Concert was a huge success in every way. The program being one of the best the community has had the privilege of enjoying.

Mr. Orm Crocker is recovering from the flu.

Mr. and Mrs. Shepler, nee Iva Prudfoot are spending a few days with the latter's parents, before returning to their home at Rosedale.

Mr. and Mrs. Shepler have spent a month honeymooning with the former's family in Idaho and returned by the coast cities.

The community turned out in full force Monday night and gathered at the home of Mr. and Mrs. J. A. Proudfoot to shower their daughter Iva, who was married recently. After all had gathered, the bride and groom opened the parcels, then both gave appropriate speeches of thanks. The rest of the evening was spent very pleasantly with an impromptu program of song, speeches, readings, etc., after which lunch was served.

After all singing Auld Lang Syne and For They Are Jolly Good Fellows, one

of the young men managed to steal a kiss from the bride. The lovely collection of presents goes to show that Iva carries the best wishes of the community.

All are pleased to see little Molly Heath able to be around again, after having fallen and broken a small bone in her arm.
